## PURPOSE OF ECAs

As part of Indiana's school accountability system under Public Law 221, End-of-Course Assessments (ECAs) are designed to ensure the quality, consistency, and rigor of courses across the state. Aligned with Indiana's Academic Standards, End-of-Course Assessments are final exams measuring what students know and are able to do upon completion of targeted courses. In addition, the End-of-Course Assessments are an integral component of Indiana's P-16 Plan for Improving Student Achievement. As a part of this vision, these exams would serve an additional purpose of providing valuable information for college placement.

## ACCOMMODATIONS

Accommodations for the ECAs will be based upon those used with for ISTEP+. Generally, that means that a student will receive the same testing accommodations as those that occur throughout the student's educational program. Refer to the ECA Test Administration Manual for the full listing of online accommodations:

Please note that the *Classroom Assessments* are voluntary resources for teachers, however they are **secure** tests and should be accessed by authorized users only. User IDs and Passwords are confidential and should not be shared. Please contact your School or Corporation Test Coordinator regarding a username and password.
